## General Condition

- Plants in front looked happy

## Weed Rating

1 (didn't check the back yard though)

## Service Provided

- Weeping Yaupon was planted
- Other plants installed in back

## Good News

- Weeping Yaupon was planted and all plants in back as well

## Concerns

Plants in front of Yauopon Holly covered with dirt during planting

## Recommendations

- On the next visit, bring sledgehammer to lower stakes in ground and see how much dirt we need to add around Holly, current dirt will compact
- Schedule a weeding focused appointment
